Exhibitor Information

What does the “table in exhibit space include”?

If you are interested in a sponsorship package that includes an exhibit table, or added one to your Build Your Own package, here's what you can expect:

- An 8 foot long table with a black tablecloth and 2 chairs. There is no pipe and drape as we found that more attendee engagement occurs in an open-area exhibit space.
- Two full days of networking with our 400+ attendees. Exhibit tables are spread between a main exhibit area and a hallway that connects the conference rooms, so sponsors receive a lot of organic foot traffic!
- Access to private conference rooms for meetings and business deals.
- WiFi access for your attendees.
- Please note: An exhibit table does not include conference passes for your booth staff. All your attendees have full access to conference sessions and keynotes, NABCEP training courses, breakfasts, lunches, and receptions.

MnSEIA Gateway to Solar Code of Conduct

MnSEIA is committed to providing a friendly, safe and welcoming environment for all, regardless of gender, sexual orientation, ability, race, ethnicity, religion, national origin, or other protected characteristics. We expect all attendees, media, speakers, volunteers, venue staff, and exhibitors to help us ensure a safe and positive experience for everyone. This Code of Conduct outlines our expectations for behavior, as well as the consequences for unacceptable behavior.

CODE OF ETHICAL CONDUCT: Be considerate, respectful, and collaborative. Refrain from demeaning, discriminatory, or harassing behavior and speech. Be mindful of your surroundings and of your fellow participants. Alert event venue security or MnSEIA staff if you notice a dangerous or harassing situation or someone in distress.

UNACCEPTABLE CONDUCT: All who participate in the event deserve respectful treatment, regardless of the capacity in which they are attending. Unacceptable behaviors include: intimidating, harassing, abusive, discriminatory, derogatory, or demeaning conduct by any attendee, speaker, partner, exhibitor, or volunteer of the event or related event activities. MnSEIA defines harassment to include: offensive verbal comments related to gender, sexual orientation, race, religion, national origin, gender identity, or disability; use of nudity and/or sexual images in public spaces (including presentation slides); deliberate intimidation, stalking or unwelcome following; harassing photography or recording; sustained disruption of talks or other events; unwelcome physical contact or sexual attention. Attendees often combine professional activities with social interaction and while MnSEIA encourages such networking and strengthening of connections between participants, MnSEIA reserves the right to remove anyone whose social attentions become unwelcome to an attendee or exhibitor, who appears inebriated and who engages in conduct that interferes with the ability of other attendees and/or exhibitors to participate in and enjoy the event. Event participants are not permitted to bring firearms to the event.

CONSEQUENCES OF UNACCEPTABLE BEHAVIOR: Unacceptable behavior will not be tolerated at the events whether by (including but not limited to) attendees, media, speakers, volunteers, organizers, venue staff, sponsors, or exhibitors.
